## Instructions to Administer YES CLUB POST SURVEY

### Instructions:

1. When you finish working with a group, please give them the post survey to complete at the last YES Club meeting. Remember, a student must **regularly participate** in the YES Club for 6-8 weeks in order to take the POST SURVEY. (Ask your site supervisor to make copies so that every student can complete one).
2. Read through the survey so you are familiar with the questions.
3. Distribute the survey to the students and ask them to answer the questions. You may want to read each question aloud, and especially with younger students, discuss with them what each question is asking. For instance, you may want to help them understand what “community” means. Also, remind students that there is no right or wrong answer.
4. Once you have collected post surveys for all the members in your YES Club, ask your site supervisor to mail them to the address below:
