BOYS & GIRLS CLUBS IN NEW JERSEY LAUNCH COVID-19 RELIEF FUND TO SUPPORT LOCAL CLUBS ACROSS THE STATE

Clifton, NJ, April 15, 2020 - Boys & Girls Clubs in New Jersey announced today a statewide NJ Boys & Girls Club COVID-19 Relief Fund aimed at supporting local Boys & Girls Clubs throughout the Garden State.

Boys & Girls Clubs are committed to supporting youth, families, and communities, and they need your help in order to achieve this mission. Kids need us now more than ever before, and NJ Clubs have responded to meet their needs. During these unprecedented times, New Jersey Boys & Girls Clubs are distributing meals and supplies to kids and families, providing childcare services to workers on the front lines, supplying virtual programming, and providing virtual mentoring and tutoring support to help keep kids engaged while at home.

“Boys & Girls Clubs in New Jersey will be vital in rebuilding communities and preparing youth for future success” said Susan Haspel, State Director of Boys & Girls Clubs in New Jersey. “We need support for our statewide COVID-19 Relief Fund to help Clubs to meet the continuously evolving demands of this pandemic and ensure Clubs are there to serve our communities in the recovery period of this crisis.”

Donations to the Boys & Girls Clubs in New Jersey COVID-19 Relief Fund will help ensure Clubs can continue their response work, as well as to provide critical youth development services when New Jersey emerges from this health crisis.
