About RBAC

At RBAC, we believe every business deserves a lending partner who gets as excited about their possibilities as they do.

Through our three core SBA programs—504, Microloan, and 7(a) Community Advantage—we make business loans anywhere from \$1,000 to \$5.5 million across New Jersey, Eastern Pennsylvania, and the New York Metro region.

The numbers tell a pretty great story: more than 5,000 businesses powered, \$1.3 billion in funding deployed, and countless jobs created along the way. But behind every statistic is a real entrepreneur who took a leap, and we got to be a small part of making it happen. For more information on our loan programs visit www.rbacloan.com.
