

## DoorDash Provides Continued Support to NJ Boys & Girls Clubs Through its Community Credits Program

Collaboration to enable 17 NJ Boys & Girls Clubs to support kids and families in their communities

**Clifton, NJ, September 13, 2024** -- The Boys & Clubs in New Jersey is pleased to once again collaborate with DoorDash to help support programming for local Clubs as part of its Community Credits program. Through this partnership, DoorDash will provide \$17,000 in digital gift cards to 17 local Boys & Girls Clubs across the state helping them access meals, essentials, and other items that will make a difference in their communities.

These DoorDash gift cards will help empower NJ Clubs and the communities they serve to assist in reducing food insecurity and encourage participation in programs that expand access to opportunity. Clubs utilized these funds to help build community spirit by coming together in celebration of our youth, their families and the youth development staff who work to ensure NJ Club youth are on the path to a great future. Clubs held a variety of community building events and activities including end of summer camper celebrations, staff, volunteer and Club family engagement programs, as well as leadership retreats and Club trainings.

“Boys & Girls Clubs in New Jersey is incredibly grateful to DoorDash for once again supporting NJ Clubs across the state. The impact of this partnership has provided Club youth, staff and families with access to food and essentials in their local communities that will really make a difference,” said Susan Haspel, State Director of Boys & Girls Clubs in New Jersey.

“Community is at the heart of everything that we do, and the Boys & Girls Clubs in New Jersey do such important work for children across the state,” said Ivan Garcia, Senior Manager of Public Engagement at DoorDash. “We’re thrilled to partner with the Boys & Girls Clubs in New Jersey and help them to do more of what really matters: support their communities.”
